THE GARDEN STATE HORSE SHOW

Presented by The Junior Essex Troop

On behalf of the Garden State Horse Show Committee, I would like to welcome you to the first Horse Show we are conducting at the famed United States Equestrian Team Headquarters. We would be remiss in embracing the next chapter of The Garden State Horse Show without first reflecting on the show's historic significance in Zone 2 competitions, or without thanking Tim Cleary, Ken Okken, and the dozens of other dedicated staff and volunteers. Without their perseverance and contributions, we would not be in the position we are today for this new and exciting opportunity.

Today's equestrians are looking for an alternative to the multi-ring mega circuits. These competitions serve an effective purpose, but the industry is yearning for first class boutique events with the right location, footing, hospitality, proactive scheduling, awards and and the right atmosphere, Special thanks to The United States Equestrian Team Foundation for enabling us to embrace this concept and for all their support.

The time and money necessary to create and conduct these productions is enormous. Without the support of trainers, exhibitors, sponsor, volunteers, and vendors, we could not pull it off. Together we are raising the bar for our sport for years to come. As we proceed on this exciting new journey please provide us with your thoughts and ideas to improve your experience as your input is invaluable.

While we understand that change is not always easy, it is often necessary in order to meet and exceed the demands of the future. On behalf of Chairman Rodney Seelig and the entire Junior Essex Troop and Horse Show Committee, thank you for your support!
